Vice Presidents Thoughts. **Merry Christmas Barnstormers!**

At the time of this writing, the holiday is still a few days away, but by the time you read this, I suspect New Years' day will be just around the corner. I hope you had a wonderful and safe holiday... and perhaps gained some new hardware under the tree. Our next event of sorts is the traditional Freeze Fly, and you guessed it, it will be held at the Barnstormer field, Jan 1 at 10am. From past years, those brave enough to bear the cold brought an airplane to fly, and others with generous souls brought edibles, i.e., from cookies to hot cocoa to chili to... you get the idea. Everyone had stories. So come on out, if for nothing else to gab & snack... rain, snow, or shine.

Our next formal meeting will be the first Thursday of February: indoors of course. See elsewhere in this newsletter regarding location. In the meantime, stay safe! Hope to see you at the freeze fly event.

Art Kittler, Vice President

Safety Column

It looks like we had another safe year at the airfield this year. I haven't heard about anyone getting hurt except for hurting their pride after a crash. If anyone knows about anyone getting injured please let me know.
