## **Pattern Contest Report!**

I just want to report about the pattern contest. The weather was perfect with some challenging winds on Saturday. On Sunday was practically perfect for flying. We had 13 pilots. 3 Pilots from Colorado, 1 from Cedar Rapids, 3 from Saint Louis, 2 from Springfield MO, one all the way from Grand Forks, Minnesota, One from Omaha. The contest results are attached.

The total registration was \$520. Food and materials was \$333.16. I got this year too much paint so I have paint for next year. The balance for the RCB is \$186.84. I will get all receipts and money next time I see you at the field.

I sent a text in regard the grill. The grill igniter is not working. The battery was all corroded. I try to clean everything as much as I could. Installed new battery and still does not want to work. I left two good batteries in a plastic container. I think makes sense to fix it before we put it back in the metal container. The igniter is very convenient it that specific grill. So really makes sense to try to fix it.

That is all. Have a great day,
